Summary

A motivated and detail-oriented Frontend Developer with experience in HTML, CSS, Bootstrap, and basic knowledge of JavaScript. I enjoy creating clean, user-friendly, and mobile-friendly websites. I have worked on projects like the *E-Learn Mentor Website* and have basic knowledge of PHP and WordPress.

I am passionate about learning new things, solving problems, and building websites that work well for everyone. I'm eager to grow my skills and contribute to meaningful projects.

Experience

Frontend Developer
